TAKE YOUR PASSION FOR BEING ABROAD TO THE NEXT LEVEL

Your time abroad does not have to end when you get on the plane to come home. Join the API Global Leadership Academy to share your story within your community and develop global leadership skills to apply to your next adventure.

## WHAT IS THE API GLOBAL LEADERSHIP ACADEMY?

Join the API Global Leadership Academy for either a **semester** or **academic year** and build core competencies of global leadership in a **dynamic** and **creative atmosphere**. Develop skills to share your experience in your community, on your campus and in job interviews. **Host fun events** to tell your story and learn about the field of international education. **Be empowered** to transform the world in a concrete way. Leave the academy with more than just a certificate of participation- leave with an edge in the global marketplace and a strong contribution to your résumé.

## SHOULD I APPLY FOR THE API GLOBAL LEADERSHIP ACADEMY?

API seeks highly motivated leaders who are eager to share the transformative power of their international experience with others. API seeks leaders who are comfortable collaborating with others to execute common goals, have demonstrated leadership roles on campus or in the community, and can work independently and creatively. API seeks participants who have completed an API study, intern, gap, teach, work or volunteer abroad program.

## WHAT WILL I DO IN THE API GLOBAL LEADERSHIP ACADEMY?

### You will:

- **Develop leadership competencies in a global context by participating monthly in both group and independent activities.**
- Engage with your community by **sharing your story through collaborative event planning**, whether on your college campus or in the local area.
- **Create opportunities** for others to be transformed by international education through content development and **targeted outreach**.
- Learn from experts who have successfully integrated their international experience into leadership opportunities in international organizations, including **career webinars** highlighting API alumni in a variety of career fields.
- **Take your passion for being abroad to the next level** by working closely with leaders in the international education field to develop professional skills.
- Commit approximately **4-5 hours per month in the semester-long program** and **10 hours per month in the academic year-long program** to program participation, including interactive webinars and team-building activities.
